TO WHOM IT MAY CONCERN

SUBJECT: GGAA PRESIDENT SUSPENSION

On behalf of the Grand Gedeh Association in the America (GGAA), the National Board of Directors presents compliments to you and writes to inform you to do no business with GGAA through Mr. Fred Gwyan. As of the date of this letter, the National Board has suspended Mr. Gwyan pending investigation.

As Pursuant to Article V section (3) (b) and Article V section (3) (g), under the National Constitution of GGAA, the Board of Directors is empowered as the highest decision-making body of the National Association in the absence of the National Convention.

In upholding its fiduciary responsibilities, the Board communication formally apprises you that at an emergency meeting held Saturday, October 22, 2016, the Board unanimously voted to suspend Mr. Gwyan effective immediately from the Office of the President, thereby relieving him of performing all official duties and responsibilities afforded him as president of this noble institution pending the launch and satisfactory completion of an investigation.

The merit of this action is based on the violation of Article X: Section (1) (d) of the national constitution of the Grand Gedeh Association in the Americas, Inc.: *(d) Withdrawal of funds from the Association's account(s) shall be made based only upon duly executed vouchers and only for approved budgetary appropriations.*

To date, the Board has no executed vouchers on record authorizing financial transactions carried out by Mr. Gwyan's Administration, particularly his most recent action taken to withdraw \$14,020.00 from the GGAA Bank Account ending in 4390 at Bank of America on October 20, 2016. To date, there is a credit pending for \$12,000 with the remaining balance of \$2,020.00 outstanding.

Pursuant to Article V section (3) (g) mentioned supra, the Board concludes that the instances referenced above constitute a breach of fiduciary trust reposed in his office as President, a misappropriation of Association funds and gross ineptitude in the discharge of duty.

Please note that doing business with GGAA through Mr. Gwyan will be at your own detriment. See attached copy of Mr. Gwyan's suspension letter

Submissively Yours,

Leeroy Beldeh
National Secretary GGAA
